#1 New York Times Bestseller In this highly anticipated follow-up to his blockbuster The Amateur, former New York Times Magazine editor-in-chief Edward Klein delves into the rocky relationship between the Obamas and the Clintons. An old-school reporter with incredible insider contacts, Klein reveals just how deep the rivalry between the Obamas and the Clintons runs, with details on closed-door meetings buttressed by hundreds of interviews. Blood Feud is a stunning exposé of the animosity, jealousy, and competition between America's two most powerful political couples.

Imagine 2 scenarios In the first one you have just finished reading Blood Feud by Edward Klein. It was a great book and you remember that it mentioned a lot of smart things. But you can't remember much of it now as you close the book. Even less a few weeks after. In the second scenario you have just finished the same book. The difference now is that you have a deep understanding for what you have read, structured notes about key takeaways and a great reference for the future. Most people will find themselves in scenario one after finishing a book. This is because there is a big difference between reading a book and really reading a book. We believe that reading is an investment. You spend time with a book because you hope that it will make you happier, healthier, wealthier or smarter. But simply just reading a great book is not enough. You have to understand how the information applies to your life and take notes to help you remember. DIY Summary helps you do just that and makes it easier for you to get value from the books you read.

Get Free Blood Feud The Clintons Vs Obamas Edward Klein

Unlikeable is the stunning, powerful exposé of Hillary Clinton and her floundering race for the White House. With unprecedented access to longtime associates of the Clintons and the Obamas, investigative reporter Edward Klein meticulously recreates conversations and details of Hillary Clinton's behind-the-scenes plotting in Chappaqua and Whitehaven. Klein, the former editor in chief of New York Times Magazine and a contributing editor to Vanity Fair, draws a deeply troubling portrait of Hillary Rodham Clinton, a highly unlikeable presidential candidate and a woman more associated with scandal than with accomplishments, with lying than with truth, with arrogance than with compassion.

Experience Blood Feud: The Clintons Vs. The Obama Game Of Thrones Style! Discover the graphic novel parody / mash up of Ed Klein's Blood Feud and George RR Martin's Game Of Thrones which will leave you rolling in the aisle! Who doesn't love a good Blood Feud! Edward Klein certainly doesn't, as he makes clear in his book bestselling book Blood Feud. Detailing the battle between the Clintons and Obamas for control of the Democratic Party it embraces (as the Washington Post's Richard Cohen puts it) America's twin obsessions of race and sex. Although sex and copious amounts of violence are more GRR Martin's forte, he clearly loves a good Blood Feud too. Don't you think these two kids should be brought together? And that's exactly what we did. Our book is a graphic novel re-imagining of Ed Klein's Blood feud set in the Game of Thrones universe. Barack Obama as Robert Baratheon? You bet! Bill Clinton as Khal Drogo? Who doesn't want to see that? Hillary Clinton as Daenerys Targaryen? Read the parody ... we make it work! The tapestry that Ed Klein and GRR Martin wove in their respective works is so rich this book can't help but be good! Just listen to this praise for some of Ed Klein's previous works. You can't beat endorsements like these! The book is poorly written, poorly thought, poorly sourced and full of the kind of loaded language that is appropriate to a polemic but not an investigative work. – Peggy Noonan reviewing “The Truth About Hillary” for the The Wall Street Journal This is one of the most sordid volumes I've ever waded through. Thirty pages into it, I wanted to take a shower. Sixty pages into it, I wanted to be decontaminated. And 200 pages into it, I wanted someone to drive stakes through my eyes so I wouldn't have to suffer through another word. – John Poadhoretz reviewing “The Truth About Hillary” for The New York Post Unfortunately, The Truth About Hillary fails even as pornography. It's about as arousing as footage from a hidden camera in the bathroom of a highway truck stop. – John F. Harris reviewing “The Truth About Hillary” for the New York Observer The latest assault is by Edward Klein, whose name commonly appears in print these days in close proximity to words like smarmy and sleazy. – Clyde Haberman, The New York Times This book is the literary equivalent of a backed-up septic tank. – Larry Cox, The Tucson Citizen After you clear your eyes of tears (from laughter, we hope) you'll never look at the Obamas, the Clintons, or Game Of Thrones the same way again. Order this book now and experience the greatest Blood Feud / Game Of Thrones mash up / parody on the market today! (Yeah, it's the only one, but it's still technically true).

PLEASE NOTE: This is a summary of the book and NOT the original book. Blood Feud by Edward Klein - A 30-minute Instaread Summary: The Clintons vs. The Obamas Inside this Instaread Summary: • Overview of the entire book • Introduction to the important people in the book • Summary and analysis of all the chapters in the book • Key Takeaways of the book • A Reader's Perspective Preview of this summary: Prologue In May 2013, Hillary Clinton was eating lunch with six fellow Wellesley College graduates. Clinton said that Barack Obama was unqualified to be president because he did not get involved with the other departments, such as the Internal Revenue Service or the Justice Department. Hillary and Bill Clinton made a deal with Obama that they would support him when he was running for reelection if he supported

Get Free Blood Feud The Clintons Vs Obamas Edward Klein

Hillary during the presidential elections in 2016. Obama reneged. Chapter1 It was August 2011. Barack Obama was talking to two of his advisors, David Plouffe and Valerie Jarrett. They were discussing how to get Obama reelected. Plouffe wanted to have Bill Clinton publicly support the campaign in order to use his popularity to get more votes. Jarrett wanted Oprah Winfrey to publicly support the campaign instead. Jarrett did not like the Clintons and believed that Winfrey could get more women and minority votes. Winfrey helped during the 2008 presidential election by funding some of the campaign and garnering support for Obama. Winfrey was promised access to the White House so she could use the information she received from the Obama administration to air on her network, the Oprah Winfrey Network. This never happened, so Winfrey refused to support the campaign...

It's amateur hour at the White House. So says New York Times bestselling author Edward Klein in his new political exposé *The Amateur*. Tapping into the public's growing sentiment that President Obama is in over his head, *The Amateur* argues that Obama's toxic combination of incompetence and arrogance have run our nation and his presidency off the rails. "Obama was both completely inexperienced and ideologically far to the left of Americans when he entered the White House," says Klein. "And he was so arrogant that he didn't even know what he didn't know." Klein, who is known for getting the inside scoop on everyone from the Kennedys to the Clintons, reveals never-before-published details about the Obama administration's political inner workings and about Barack and Michelle's personal lives, including: The inordinate influence Michelle wields over Barack and her feud with a high-profile celebrity The real reason Rahm Emmanuel left the White House (it wasn't for family reasons) Why Valerie Jarrett's role is closer to that of Rasputin than impartial senior advisor Obama's problems with American Jews How Obama has purposefully forgotten and ignored those that put him in power, including the Kennedys, and the Jewish and African American communities in Chicago From Obama's conceited and detached demeanor, to his detrimental reliance on Michelle Obama and Valerie Jarrett's advice, to the Obamas' extravagant and out-of-touch lifestyle, *The Amateur* reveals a president whose blatant ignorance and incompetence is sabotaging himself, his presidency, and America.

Hillary Rodham Clinton is the most polarizing figure in American politics. Love her or hate her, everyone has a strong opinion about the former first lady turned senator who is almost certainly going to run for president in 2008. Despite more than a dozen years in the national spotlight and more than a dozen unauthorized books about her, she has managed to keep many secrets from the public especially about her turbulent marriage and its impact on her career. There have been plenty of rumors about what Hillary and Bill Clinton did behind closed doors, but never a definitive book that exposes the truth. Bestselling author Edward Klein draws on rare access to inside sources to reveal what Hillary knew and when she knew it during her years as first lady, especially during her husband's impeachment. Klein's book, embargoed until publication, will break news about the choices and calculations she has made over the years. It will also prove that she lied to America in her bestselling autobiography *Living History*. When she was just a little girl, Hillary Rodham dreamed of becoming the first female president, and her lifelong dream is almost within reach. But just as the swift boat veterans convinced millions of voters that John Kerry lacked the character to be president, Klein's book will influence everyone who is sizing up the character of Hillary Clinton.

Get Free Blood Feud The Clintons Vs Obamas Edward Klein

In this journalistic tour de force, bestselling author Edward Klein, a friend of Jacqueline Onassis's for many years, takes us behind the public image to give us a story that has never been told before. For this myth-shattering portrait, Klein has amassed a wealth of exclusive information from private documents and correspondence; FBI files; and hundreds of interviews with Jackie's friends, the associates of Aristotle Onassis, and people familiar with her longtime companion, the mysterious diamond merchant Maurice Tempelman. Many people break their silence here for the first time. Much more than a portrait of a famous celebrity, JUST JACKIE: HER PRIVATE YEARS captures the essence of a captivating woman whose passion for wealth was matched only by her deep need for privacy.

In this probing portrait of a struggling news queen, bestselling author Edward Klein rips away the mask that has hidden the many faces of Katie Couric: the strong, independent woman and the needy wife and lover; the grieving widow famed for her kindness to others and the fiercely competitive diva; the consummate television interviewer and the stumbling network anchor.
