Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. “California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again.” Thus begins Hunter S. Thompson’s vivid account of his experiences with California’s most notorious motorcycle gang, the Hell’s Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, “For all its uninhibited and sardonic humor, Thompson’s book is a thoughtful piece of work.” As illuminating now as when originally published in 1967, *Hell’s Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is a dramatization of Daniel Keyes's story about a retarded adult who desperately wants to be able to read and write.

Degradation, dehumanization, instrumentalization, humiliation, and nonrecognition – these concepts point to ways in which we understand human beings to be violated in their dignity. Violations of human dignity are brought about by concrete practices and conditions; some commonly acknowledged, such as torture and rape, and others more contested, such as poverty and exclusion. This volume collates reflections on such concepts and a range of practices, deepening our understanding of human dignity and its violation, bringing to the surface interrelationships and commonalities, and pointing to the values that are thereby shown to be in danger. In presenting a streamlined discussion from a negative perspective, complemented by conclusions for a positive account of human dignity, the book is at once a contribution to the body of literature on what dignity is and how it should be protected as well as constituting an alternative, fresh and focused perspective relevant to this significant recurring debate. As the concept of human dignity itself crosses disciplinary boundaries, this is mirrored in the unique range of perspectives brought by the book's European and American contributors – in philosophy and ethics, law, human rights, literature, cultural studies and

interdisciplinary research. This volume will be of interest to social and moral philosophers, legal and human rights theorists, practitioners and students.

The Archangel Michael has been despondent lately. He's become passively suicidal, not willing to end it, but making slip-ups on the job that could kill him. He comes close and is kicked out heaven. Pissed at his failed attempt, he takes off and finds Jahi, a demonic prostitute, on a roof in downtown Los Angeles. He can't bring himself to kill her, so he takes her captive, and sparks fly. What happens if an angel falls in love with a demon? Jahi has finally clawed her way out of hell and is ready to start a new life on earth, but it wasn't quite like she had imagined, and that was before she was captured by an Archangel. All she wants is to be free to make her own choices, live the life she chooses. Is she willing to give that up for Michael? The demons have found a new drug that makes them stronger. Can Michael and Gabriel stop them in time to prevent a power shift in Los Angeles? Caution: This book contains scenes that are intended for adults only. You probably won't want to bring it to church with you.
