Like The Tao of Warren Buffett and The Tao of Te Ching, The Tao of Charlie Munger is a compendium of pithy quotes including, "Knowing what you don't know is more useful than being brilliant" and "In my whole life, I have known no wise people who didn't read all the time—none, zero." This collection, culled from interviews, speeches, and questions and answers at the Berkshire Hathaway and Wesco annual meetings, offers insights into Munger's amazing financial success and life philosophies. The next section, assembled by leading investor Whitney Tilson, is well edited and benefits from Tilson's massaging of quotations made over time into logical sub-headings. The bulk of the text though is, as the subtitle suggests, the wit and wisdom of Mr. Munger as conveyed through various speeches in the last couple decade or so before 2006.

For the first time the complete financial history of Berkshire Hathaway is available under one cover in chronological format. Beginning at the origins of the predecessor companies in the textile industry, the reader can examine the development of the modern-day conglomerate year-by-year and decade-by-decade, watching as the struggling

This comprehensive analysis distils over 10,000 pages of research material, including Buffett's Chairman's letters, Berkshire Hathaway annual reports and SEC filings, annual meeting transcripts, subsidiary financials, and more. The analysis of each year is supplemented with Buffett's own commentary where relevant, and examines all important acquisitions, investments, and other capital allocation decisions. The appendices contain balance sheets, income statements, statements of cash flows,
