“ It ’ s the scenery—and the big guy standing in front of the scenery—that keeps us coming back to Craig Johnson ’ s lean and leathery mysteries. ” —The New York Times Book Review Walt journeys into the northern Mexican desert alone to save his daughter Cady, who has been kidnapped by the cartel>Welcome to Walt Longmire's worst nightmare. Winter is creeping closer, but for Sheriff Longmire this one is looking to be harsh in a way to which he is wholly unaccustomed. He has found himself in the remotest parts of the northern Mexican desert, a lawless place where no horse or car can travel, where no one speaks his language or trusts an outsider, far from his friends and his home turf back in Wyoming. But desperate times call for desperate measures. Tomas Bidarte, the head of one of the most vicious drug cartels in Mexico, has kidnapped Walt's beloved daughter, Cady. The American government is of limited help and the Mexican one even less so. Armed with his trusty Colt .45 and a father's intuition, Walt must head into the 110-degree heat of the desert, one man against an army.

An international hit man and the head of one of the most vicious drug cartels in Mexico has kidnapped Walt Longmire's beloved daughter to auction her off to his worst enemies, of which there are many.

The new novel in Craig Johnson's beloved New York Times bestselling Longmire series. "It's the scenery--and the big guy standing in front of the scenery--that keeps us coming back to Craig Johnson's lean and leathery mysteries." --The New York Times Book Review Recovering from his harrowing experiences in Mexico, Sheriff Walt Longmire returns to Absaroka County, Wyoming, to lick his wounds and try once again to maintain justice in a place with grudges that go back generations. When a shepherd is found dead, Longmire suspects it could be suicide. But the shepherd's connection to the Extepare, a powerful family of Basque ranchers with a history of violence, leads the sheriff into an intricate investigation of a possible murder. As Walt searches for information about the shepherd, he comes across strange carvings on trees, as well as play money coupons from inside Mallo Cup candies, which he interprets as messages from his spiritual guide, Virgil White Buffalo. Longmire doesn't know how these little blue cards are appearing, but Virgil usually reaches out if a child is in danger. So when a young boy with ties to the Extepare clan arrives in town, the stakes grow even higher. Even more complicating, a renegade wolf has been haunting the Bighorn Mountains, and the townspeople are out for blood. With both a wolf and a killer on the loose, Longmire follows a twisting trail of evidence, leading to dark and shocking conclusions.

The thirteenth novel in Craig Johnson's beloved New York Times bestselling Longmire series, the basis for the hit Netflix series Longmire Sheriff Walt Longmire is enjoying a celebratory beer after a weapons certification at the Wyoming Law Enforcement Academy when a younger sheriff confronts him with a photograph of twenty-five armed men standing in front of a Challenger steam locomotive. It takes him back to when, fresh from the battlefields of Vietnam, then-deputy Walt accompanied his mentor Lucian to the annual Wyoming Sheriff's Association junket held on the excursion train known as the Western Star, which ran the length of Wyoming from Cheyenne to Evanston and back. Armed with his trusty Colt .45 and a paperback of Agatha Christie's *Murder on the Orient Express*, the young Walt was ill-prepared for the machinations of twenty-four veteran sheriffs, let alone the cavalcade of curious characters that accompanied them. The photograph--along with an upcoming parole hearing for one of the most dangerous men Walt has encountered in a lifetime of law enforcement--hurts the sheriff into a head-on collision of past and present, placing him and everyone he cares about squarely on the tracks of runaway revenge.

The latest novel in the beloved New York Times bestselling Longmire series finds the sheriff chasing down the whereabouts of an iconic American painting. One of the most viewed paintings in American history, *Custer's Last Fight*, copied and distributed by Anheuser-Busch at a rate of over two million copies a year, was destroyed in a fire at the 7th Cavalry Headquarters in Fort Bliss, Texas, in 1946. Or was it? When Charley Lee Stillwater dies of an apparent heart attack at the Wyoming Home for Soldiers & Sailors, Walt Longmire is called in to try and make sense of a piece of a painting and a Florsheim shoebox containing a million dollars, sending the good sheriff on the trail of a dangerous art heist.

“ It ’ s the scenery—and the big guy standing in front of the scenery—that keeps us coming back to Craig Johnson ’ s lean and leathery mysteries. ” —The New York Times Book Review The ninth Longmire book from the New York Times bestselling author of *Land of Wolves* It ’ s homecoming for the Durant Dogies when Cord Lyneer, a Mormon “ lost boy ” forced off his compound for rebellious behavior, shows up in Absaroka County. Without much guidance, divine or otherwise, Sheriff Walt Longmire, Victoria Moretti, and Henry Standing Bear search for the boy ’ s mother and find themselves on a high-plains scavenger hunt that ends at the barbed-wire doorstep of an interstate polygamy group. Run by four-hundred-pound Roy Lyneer, Cord ’ s father, the group is frighteningly well armed and very good at keeping secrets. Walt ’ s got Cord locked up for his own good, but the Absaroka County jailhouse is getting crowded since the arrival of the boy ’ s self-appointed bodyguard, a dangerously spry old man who claims to be blessed by Joseph Smith himself. As Walt, Vic, and Henry butt heads with the Lyneers, they hear whispers of Big Oil and the CIA and fear they might be dealing with a lot more than they bargained for.

Sheriff Walt Longmire makes the acquaintance of a scarred young woman who raises questions about his predecessor while imparting the story of a tragic car accident during a blizzard that marked Walt's first year as sheriff.

In the 12th novel in the New York Times bestselling Longmire series, the basis for the hit Netflix original series Longmire, Walt, Henry, and Vic discover much more than they bargained for when they are called in to investigate a hit-and-run accident involving a young motorcyclist near Devils Tower Craig Johnson's new novel, *The Western Star*, is now available. In the midst of the largest motorcycle rally in the world, a young biker is run off the road and ends up in critical condition. When Sheriff Walt Longmire and his good friend Henry Standing Bear are called to Hulett, Wyoming—the nearest town to America's first national monument, Devils Tower—to investigate, things start getting complicated. As competing biker gangs; the Bureau of Alcohol, Tobacco, and Firearms; a military-grade vehicle donated to the tiny local police force by a wealthy entrepreneur; and Lola, the real-life femme fatale and namesake for Henry's '59 Thunderbird (and, by extension, Walt's granddaughter) come into play, it rapidly becomes clear that there is more to get to the bottom of at this year's Sturgis Motorcycle Rally than a bike accident. After all, in the words of Arthur Conan Doyle, whose *Adventures of Sherlock Holmes* the Bear won't stop quoting, "There is nothing more deceptive than an obvious fact."

Introducing Wyoming's Sheriff Walt Longmire in this riveting novel from the New York Times bestselling author of *Hell Is Empty* and *As the Crow Flies*, the first in the Longmire Mystery Series, the basis for *LONGMIRE*, the hit Netflix original drama series. Fans of Ace Atkins, Nevada Barr and Robert B. Parker will love this outstanding first novel, in which New York Times bestselling author Craig Johnson introduces Sheriff Walt Longmire of Wyoming's Absaroka County. Johnson draws on his deep attachment to the American West to produce a literary mystery of stunning authenticity, and full of memorable characters. After twenty-five years as sheriff of Absaroka County, Walt Longmire's hopes of finishing out his tenure in peace are dashed when Cody Pritchard is found dead near the Northern Cheyenne Reservation. Two years earlier, Cody has been one of four high school boys given suspended sentences for raping a local Cheyenne girl. Somebody, it would seem, is seeking vengeance, and Longmire might be the only thing standing between the three remaining boys and a Sharps .45-70 rifle. With lifelong friend Henry Standing Bear, Deputy Victoria Moretti, and a cast of characters both tragic and humorous enough to fill in the vast emptiness of the high plains, Walt Longmire attempts to see that revenge, a dish best served cold, is never served at all.
