A fun, user-friendly guide that takes the confusion out of writing essays and papers for students of all ages. Unlike other books that are so full of technical jargon that they confuse more than help, Homework Helpers: Essays and Term Papers uses straightforward language and simple steps to guide students through the essay-writing process. Homework Helpers: Essays and Term Papers:

- Describes in detailed "plain English" each element and step involved in writing a dozen different types of essays.
- Includes a rough, edited, and final draft sample of each type of essay discussed.
- Explains the necessity of proofreading and citing sources, providing tips and instruction on how to accomplish these tasks.
- Presents step-by-step instructions on how to write a great SAT essay.
- Discusses what students can expect when they reach college-level courses. Students of all ages can find help in writing essays for every major subject in high school or college. Neophytes will find guidance on the basics, while those further along in their educational career can adapt the detailed instructions for more in-depth assignments.

This user-friendly, authoritative guide for cheating features specific techniques for identifying, deterring, and responding to this detriment to learning and assessment.

A Modest Proposal Jonathan Swift - To ease poverty in Ireland by eating the children of the poor was the satirical 'solution' suggested by Jonathan Swift in his essay 'A Modest Proposal' (1729). Here Swift

unleashes the full power of his ironic armoury and corrosive wit, finding his targets - the British ruling class and avaricious landlords, and the brutalized Irish, complicit in their own oppression - with deadly precision.

Classic Books Library presents this brand new edition of “ The Federalist Papers ” , a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “ The Federalist ” , as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755 – 1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation ’ s finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

Completely revised and updated, So You Want to Be a Lawyer takes you through the process of becoming a lawyer, examining each phase in a helpful and easy-to-understand narrative. Find out what practicing law is like before you step into your first law school class. Practice solving legal problems as law students would in law school and lawyers might in an actual courtroom. Find out how to get into law school. And there ’ s much more:

- Advice on how to select a law school, along with names and addresses of American Bar Association (ABA)-approved law schools
- An explanation of the law school admissions process, and ways to improve your chances for getting in
- Practical exercises and advice that will give you a head start over other first-year law students
- Information about career opportunities as a lawyer

Written by three experienced lawyers, this book will help you understand the types of problems facing law students and lawyers on a daily basis. Not only will it prepare you for law school, but it will also become your trusted guide on the path to becoming a successful lawyer.

This book explores the social and political implications of what the authors identify as the decline of the social contract in America and the rise of a citizenry that has become self-centered, entitled, and independent. For nearly two decades, America has been in a “ cultural war ” over moral values and social issues, becoming a divided nation geographically, politically, socially, and morally. We are witnessing the decline of American Democracy, the authors argue, resulting from the erosion of the idea of the social contract. Especially since the “ baby boomers, ” each successive generation has emphasized personal license to the exclusion of service, social integration, and the common good. With the social contract, the larger general will becomes the means of establishing reciprocal rights and duties, privileges, and responsibilities as a basis of the state. The balkanization of America has changed the role of government from one of oversight to one of dependency, where individual freedom and responsibility are sacrificed for group equality. This book examines the conditions of this social fragmentation, and offers ideas of an American Renaissance predicated on communicative idealism.

Looks at various areas of restriction in our public schools and considers the implications of those bans in the past, present, and future.

Shortlisted for the Man Booker Prize: An unhappy marriage is further shaken when IRA terrorists invade the couple ’ s home in this “ first rate ” thriller (The New York Times). Michael Dillon, a self-described “ poet in a business suit, ” is a once-aspiring writer in Belfast whose dreams have been consumed by a stultifying career as a hotel manager and a hateful marriage to his unstable wife, Moira. But on the day he decides to leave Moira for his younger lover and take off for London, IRA terrorists break into the Dillon home. Their plan is simple: They ’ ll hold Moira hostage while Michael plants a

Read Free Free Essays And Term Papers

bomb designed to kill a rabble-rousing Protestant and his flock convening for a political rally. If Michael goes to the police, Moira dies. It ' s only the first choice of many—because in Brian Moore ' s “ breathtakingly constructed ” nightmare, the day has just begun (Los Angeles Times). “ The plot [is] one that only a spoiler would reveal—and risk ruining the surprises that detonate throughout the novel like cleverly hidden and elegantly designed incendiary devices. The notion of ‘ unbearable suspense ’ is, of course, a clich é , but I found that I kept briefly putting down the novel to postpone the moment when I had to face what might happen next. ” —Francine Prose, The New York Times

Provides guidelines and examples for handling research, outlining, spelling, punctuation, formatting, and documentation.
