Nikolai Vorislav likes his single life just as it is. Simple, relaxing, and quiet. What he doesn't need is some foul-mouthed Texas hellcat living in his house, eating his food, flirting with his idiot brothers, and shooting holes in his home with his granddaddy's gun. But those long legs, dark eyes, and lethal tongue are making Nik insane and he fears he may be caught in the sexiest animal trap ever. Angelina Santiago doesn't know how she got from Texas to North Carolina in a night or how she ended up in some hillbilly tiger's house wearing only a sheet. What she does know is that she doesn't like good ol' boys with slow, sexy drawls who can't seem to stop rubbing up against her. Yet in order to protect her friends, Angie has to stay with a cat who seems hellbent on finding all sorts of delicious ways to make her purr.

Featuring three new shapeshifting cat tales from Jourdan Lane, Jamie Booth, Kit Zheng, and Sara Bell, this collection has all the feral heat, struggle for upper hand, and fight for survival that makes big cats so intriguing.

A pair of shape-shifting Alpha males get their romantic comeuppance in two paranormal romances--Miss Congeniality by Shelly Laurenston, as a handsome shape-shifter rescues Professor Irene Conridge from her enemies, and Cynthia Eden's Wicked Ways, in which the hero helps gorgeous Miranda Shaw escape a killer vampire. Original.

Conall Viga-Feilan, a direct descent of Viking shifters, meets his match in Miki Kendrick, a very special human.

What's an Alpha Male to do when he meets the Alpha Female of his dreams? Step one, hide all sharp

objects. All Zach Sheridan ever wanted was to become Alpha Male of his Pack and to be left alone. What he definitely didn't need in his life was some needy female demanding his attention. What he never saw coming was the vicious, scarred female who not only demanded his attention but knew exactly how to get it. Sara Morrighan knew this was the best she could expect from her life. Good friends. A nice place to live. And a safe job. But when Zach rode into her small Texas town with his motorcycle club, Sara knew she wanted more. She knew she wanted him. But after one sexy encounter with her dream biker, everything is starting to change. Her body. Her strength. That new thing she's doing with the snarling. Even her best friends are starting to wonder what's going on with her. But this is only the beginning. Sara's about to find out her life was meant for so much more. And Zach's about to find true love with the one woman who makes him absolutely insane.

Eggie Ray Smith may be a wolf and a killer, but he's one of the good guys in this sizzling novella by New York Times bestselling author Shelly Laurenston . . . LIKE A WOLF WITH A BONE Quiet little Darla Lewis doesn't know what to think when the most-feared member of the South's rowdiest wolf pack kidnaps her. Does he want to protect her or kill her? It could be either! Everyone knows about Egbert Ray Smith and how dangerous he is. Every pack avoids him, and the U.S. military uses him as their own killing machine. And Darla is just a nice girl who likes to bake and occasionally follow the Grateful Dead around. She doesn't have time for this sort of foolishness. And yet . . . there is something about Eggie Ray. He just doesn't seem as bad as everyone says. In fact, the more she gets to know him, the cuddlier he seems. Something her overprotective family is not going to be happy to hear . . . Praise

for the Novels of Shelly Laurenston "Hot and humorous." "USAToday.com "Shelly Laurenston"s shifter books are full of oddball characters, strong females with attitude and dialogue that can have you laughing out loud." "The Philadelphia Inquirer "A little bit of everything . . . humor, passion, and suspense with a touch of paranormal." "FreshFiction

Emma Luchessi may be a witch from Long Island but she is used to her life being quiet. Some may even say boring. She doesn't mind boring. Boring is safe. Calm. Peaceful. Like beige. One doesn't get into trouble with beige. But a wrong turn off a southern highway is about to turn Emma's beige life into everything but boring. Kyle Treharne's a good ol' boy with a sheriff's badge and a difficult population to manage. He wishes he had to worry about gangs and drugs and car-jackings. Instead, he has to worry about big cats fighting with wolves, bears fighting over honey, and hyenas fighting with everyone. And now, out of nowhere, he's got a human outsider riling up all the locals by asking too many questions. She's just so paranoid. And doesn't trust Kyle a lick. These city gals. They just don't know how to relax, do they? Of course, Kyle is a big cat. He knows how to relax and he'd be more than willing to help Emma learn how. He'd be willing to help Emma do all sorts of things if she'd just give him half a chance. But it turns out Emma coming to Smithville isn't a simple accident. She's been brought here and she's bringing change and danger right along with her. Lucky for Emma, Kyle and the rest of the town like a bit of danger... This story was previously available in the Sun, Sand, Sexanthology.

An Amazon Best of the Year Selection "When it comes to combining offbeat humor and mayhem, it is tough to beat Laurenston." "RT Book Reviews She"s the woman he"s been hired to kidnap. But ZeZé Vargas has other ideas . . . like getting them both out of this nightmare alive. Just one problem. She"s

File Type PDF Here Kitty Magnus Pack 3 Shelly Laurenston

crazy. Certifiably. Because while he's plotting their escape, the petite Asian beauty is plotting something much more deadly . . . Max "Kill It Again" MacKilligan has no idea what one of her own is doing with all these criminal humans until she realizes that Zé has no idea who or what he is. Or exactly how much power he truly has. But Max is more than happy to bring this handsome jaguar shifter into her world and show him everything he's been missing out on. A move that might be the dumbest thing she's ever done once she realizes how far her enemies will go to wipe her out. Too bad for them Zé is willing to do whatever it takes to keep her alive . . . and honey badgers are just so damn hard to kill!

"Hot and humorous." --USAToday.com It's not every day that a beautiful naked woman falls out of the sky and lands face-first on grizzly shifter Berg Dunn's hotel balcony. Definitely they don't usually hop up and demand his best gun. Berg gives the lady a grizzly-sized t-shirt and his cell phone, too, just on style points. And then she's gone, taking his XXXL heart with her. By the time he figures out she's a honey badger shifter, it's too late. Honey badgers are survivors. Brutal, vicious, ill-tempered survivors. Or maybe Charlie Taylor-MacKilligan is just pissed that her useless father is trying to get them all killed again, and won't even tell her how. Protecting her little sisters has always been her job, and she's not about to let some pesky giant grizzly protection specialist with a network of every shifter in Manhattan get in her way. Wait. He's trying to help? Why would he want to do that? He's cute enough that she just might let him tag along--that is, if he can keep up ...
