Yemini provides a comprehensive understanding of the process of internationalization from different angles including policy-making, curriculum implementation, media discourse, and individual agency. The book illuminates and analyzes a set of key tensions of internationalization across multiple levels of schooling and across the domains of popular discourse, policy, curriculum, pedagogy,

and students' identity, by connecting or re-connecting the process of internationalization and its outcomes at individual level of global citizenship. The author uses solid empirical embedding of each of those aspects together with development of novel theoretical insights in each of the investigated domains.

In dem Sammelband wird eine Reihe visueller Kommunikations- und Kulturstudien theoretisch und anhand interkultureller Fallstudien aus dem globalen Süden (darunter China, Indien, Kambodscha, Brasilien und Mexiko) sowie weiterer Länder wie beispielsweise Japan und Taiwan dargestellt. Überbegriff und beschreiben den De-Westernisierungs-Diskurs als Weg, emische Forschung zu stärken. Der Globale Süden wird nicht nur als geografischer Begriff, sondern vielmehr als Kategorie von Diversität und Pluralismus betrachtet. In Fallstudien werden verschiedene emische Theorien und Methoden herangezogen, um die komplexe Anordnung der Visualität zwischen soziokulturellen und -politischen Praktiken und Institutionen zu beschreiben. Das Buch richtet sich an WissenschaftlerInnen mit Kenntnissen in visuellen Studien sowie an Forschende, Studierende und PraktikerInnen, die zum Globalen Süden und zu De-Westernisierung arbeiten. It is in and through practices - deeds that embody shared intersubjective knowledge - that social life is organized, that subjectivities are constituted and that history unfolds. One can think of dozens of different practices (from balancing, to banking or networking) which constitute the social fabric of world politics. This book brings together leading scholars in fields from international law and humanitarianism to nuclear deterrence and the UN to provide effective new tools to understand a range of pressing issues of the era of globalization. As an entry point to the study of

world politics, the concept of practice accommodates a variety of perspectives in a coherent yet flexible fashion and opens the door to much needed interdisciplinary research in international relations. International Practices crystallizes the authors' past research on international practices into a common effort to turn the study of practice into a novel research program in international relations.
