With knowledge, spirit, good humor, and passion, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. brings to life a remarkable man whose thoughts and actions speak to our most burning contemporary issues and still inspire the desires, hopes, and dreams of us all. Written in his own words, this history-making autobiography is Martin Luther King: the mild-mannered, inquisitive child and student who chafed under and eventually rebelled against segregation; the dedicated young minister who continually questioned the depths of his faith and the limits of his wisdom; the loving husband and father who sought to balance his family's needs with those of a growing, nationwide movement; and the reflective, world-famous leader who was fired by a vision of equality for people everywhere. Relevant and insightful, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. offers King's seldom disclosed views on some of the world's greatest and most controversial figures: John F. Kennedy, Malcolm X, Lyndon B. Johnson, Mahatma Gandhi, and Richard Nixon. It also paints a rich and moving portrait of a people, a time, and a nation in the face of powerful change. Finally, it shows how everyday Americans from all walks of life confronted themselves, each other, and the burden of the past-and how their fears and courage helped shape our future.

The first ever trade history of a landmark of American letters--Martin Luther King Jr's legendary Letter from Birmingham Jail.

Celebrating the 50th Anniversary of Dr. King's Landmark Speech, Martin Luther King, Jr., brought the Civil Rights movement to the forefront of American public life. His "I Have a Dream" speech, delivered on the steps of the Lincoln Memorial following the March on Washington more than 40 years ago, remains one of the best remembered, most moving addresses of modern times. King preached nonviolence as the way to achieve equality, peace, and harmony. Even when he was criticized he was unwilling to change his views. Today, his words ring truer than ever. King was born in Atlanta, Georgia, the son of a Baptist minister. He received a bachelor's degree from Morehouse College, and went to Crozer Theological Seminary in Chester, Pennsylvania, where he was the first African-American to be elected president of the student body there. He received his Ph.D. from Boston University School of Theology in 1955, and took the pastorate of the Dexter Avenue Baptist Church in Montgomery, Alabama. A brilliant speaker, King became the spokesman for the Montgomery Bus Boycott, which resulted in a Supreme Court decision in 1956 declaring Alabama's bus segregation laws unconstitutional. Following this triumph, King became the leader of the Southern Christian Leadership Conference (SCLC), through which he made clear his commitment to nonviolent activism. Between 1960 and 1965, King led numerous demonstrations and protests on behalf of Civil Rights. In 1964, Congress passed the Civil Rights Act, and King was awarded the Nobel Peace Prize that same year. As the Vietnam War began to occupy much attention in America, King spoke out strongly against the war, and declared a war on poverty. He was shot and killed on the balcony of the Lorraine Hotel in Memphis, Tennessee, on April 3rd 1968. His death devastated the nation. The work he did radically altered the structure of American society - it revolutionized voting rights, and struck down legal barriers that prevented African-Americans from obtaining access to schools and public facilities. By the time of his death, he had acquired a national reputation and respect, and his campaign had become nationwide. This book offers an illustrated tribute to a great man.

O parlamentar John Lewis é um ícone nos Estados Unidos e uma das principais figuras do movimento pelos direitos civis. Seu comprometimento com a justiça e a não violência o levou de uma pequena fazenda no Alabama para os corredores do Congresso norte-americano; de uma sala de aula segregada para a Marcha em Washington; dos ataques da polícia ao recebimento da Medalha Presidencial da Liberdade pelas mãos do primeiro presidente negro dos Estados Unidos. A Marcha retrata a longa batalha de Lewis pelos direitos humanos e civis, seu encontro com Martin Luther King Jr. e a luta para dar fim às políticas de segregação no país.

Mohandas Karamchand Gandhi was born in 1869 in British-occupied India. Though he studied law in London and spent his early adulthood in South Africa, he remained devoted to his homeland and spent the later part of his life working to make India an independent nation. Calling for non-violent civil disobedience, Gandhi led India to independence and inspired movements for civil rights around the world. Gandhi is recognized internationally as a symbol of hope, peace, and freedom.
