Provides the latest tips and strategies regarding social network sites such as LinkedIn, personal networking and interviewing to shorten your job search, advance your career and increase your income. It includes a special section of resume examples for military veterans returning to the workforce.

A fresh look at agoraphobia, the fear of leaving one's home, argues that the suffers, mostly women, are reacting against the self-denial required of them by marriage and society

The films of Stanley Kubrick have left an indelible mark on the history of American cinema. This text explores the auteur's legacy, specifically positioning his body of work within the context of cultural theory. A single chapter is devoted to each of Kubrick's seven films: Lolita, Dr. Strangelove, 2001: A Space Odyssey, A Clockwork Orange, The Shining, Full Metal Jacket, and Eyes Wide Shut. Particular attention is paid to the role of love and death in Kubrick's films, emphasizing his innovative exploration of love and sex, and the portrayal of mortality via masculine violence.

From the author of Burial Rites, "a literary novel with the pace and tension of a thriller that takes us on a frightening journey towards an unspeakable tragedy."-Paula Hawkins, bestselling author of The Girl on the Train and Into the Water Based on true events in nineteenth century Ireland, Hannah Kent's startling new novel tells the story of three women, drawn together to rescue a child from a superstitious community. Nora, bereft after the death of her husband, finds herself alone and caring for her grandson Micheal, who can neither speak nor walk. A handmaid, Mary, arrives to help Nora just as rumors begin to spread that Micheal is a changeling child who is bringing bad luck to the valley. Determined to banish evil, Nora and Mary enlist the help of Nance, an elderly wanderer who understands the magic of the old ways. Set in a lost world bound by its own laws, THE GOOD PEOPLE is Hannah

Kent's startling new novel about absolute belief and devoted love. Terrifying, thrilling and moving in equal measure, this follow-up to *Burial Rites* shows an author at the height of her powers.

He knew with one glance that she would change his life.... A prosecutor about to try the trial of his career and a hard-luck hairstylist meet at Baltimore-Washington International Airport on a Friday night, on their way to visit significant others in Florida. Michael and Juliana have a lot riding on this weekend as they try to repair relationships strained by distance. When they discover they're on the same flight home, they agree to meet up again to compare notes about how their weekends unfolded. but he couldn't have know that everything is about to change... The instant connection they shared the night they met forms the foundation for a new friendship that soon leads to love, and as Michael's trial takes a violent turn, staying alive becomes their top priority. Follow Michael and Juliana's emotional journey in this newly reissued edition of one of Marie Force's most beloved standalone contemporary romances. Included in this edition is a never-before-published extended Epilogue that takes you inside Michael and Juliana's happily ever after. Second Edition. This book was previously published in 2009. "LOVE AT FIRST FLIGHT by Marie Force is most definitely a keeper. It is an astounding book. I loved every single word!" —Wild on Books, 4.5 Bookmarks "Ms. Force did a wonderful job of drawing you in to the story. She made it very realistic in the sense that not only did I fall madly in love with Michael, but she forces you to really feel for Jeremy (Juliana's first love). You are struggling inside as to which man you really want her to be with." —Book Lover, 4.5 Stars "I read this book in less than a twenty-four hour period. I can't remember the last time a story held me as mesmerized as LOVE AT FIRST FLIGHT; I couldn't get enough and wanted more... Ms. Force pens so much more than a simple romance, her voice has that "certain something" which captivates the reader from first word to the last. She creates a story and characters the reader can embrace and cheer on whole-heartedly with a smile and a lump in the throat." —Once Upon A Romance "And to you, Marie Force, what a talented author you are—your characters are captivating and come to life through your writing—they jump out of the pages and into the reader's heart. The plot is well-developed, flows smoothly, and engages the reader from beginning to end. Emotions are strong and written with such clarity that you feel them inside as if they were your own." —World According to Books "This isn't just a romance novel or a legal story or any other classification but a mixture of many that cannot be separated. It's a fantastic mix of romance against a legal story with danger lurking around every corner. There are high-speed car rides as well as romantic dinners with walks along the beach. An assassin comes into play as well as a teenage witness. It's a book that should interest a broad spectrum of readers." —Night Owl Reviews, 4.75 out of 5, Reviewer Top Pick "LOVE AT FIRST FLIGHT by Marie Force is most definitely a keeper. It is an astounding book. I loved every single word!" —Wild on Books, 4.5 Bookmarks "Marie Force really has a knack for getting the reader emotionally involved with her characters. I felt the same way when I read *Line of Scrimmage* and *Love at First Flight* is no exception. I have to give kudos to her for writing such an unconventional romance so well. The fact that she could engage my emotions throughout the whole book really is a testament to her skillfulness of storytelling." —Book Binge "What I really liked about these two characters is the way they take care of each other. There is an art to that, to doing small things for each other without thinking, with pleasure even, because you know the other will appreciate it. Julianna is a nurturing person, with everyone around her, and that's just what Michael needs. For his part, Michael offers Julianna a helping hand when she needs it, and some space to be an adult, even when he would prefer to get closer." —AlphaHero

The popularity of romance fiction is such that it constitutes nearly one quarter of new paperback fiction printed in the world. Its success depends on its ability to reflect and articulate the reader's aspirations for a better life and stands at the same time as a testament to her alienation. This fresh look at the romantic fiction seeks to discover the reason for its appeal by combining analysis of the poetics of the genre with a study of the real reader's intervention.

Have you ever wondered what a therapist really thinks? Have you ever wondered if a therapist truly cares about her patients? Have you tried to imagine the unimaginable, the loss of the person most dear to you? Is it true that 'tis better to have loved and lost, than never to have loved at all? ` Love and loss are a ubiquitous part of life, bringing the greatest joys and the greatest heartaches. In one way or another all relationships end. People leave, move on, die. Loss is an ever-present part of life. In *Love and Loss*, Linda B. Sherby illustrates that in order to grow and thrive, we must learn to mourn, to move beyond the person we have lost while taking that person with us in our minds. Love, unlike loss, is not inevitable but, she argues, no satisfying life can be lived without deeply meaningful relationships. The focus of *Love and Loss* is how patients' and therapists' independent experiences of love and loss, as well as the love and loss that they experience in the treatment room, intermingle and interact. There are always two people in the consulting room, both of whom are involved in their own respective lives, as well as the mutually responsive relationship that exists between them. Love and loss in the life of one of the parties affects the other, whether that affect takes place on a conscious or unconscious level. *Love and Loss* is unique in two respects. The first is its focus on the analyst's current life situation and how that necessarily affects both the patient and the treatment. The second is Sherby's willingness to share the personal memoir of her own loss which she has interwoven with extensive clinical material to clearly illustrate the effect the analyst's current life circumstance has on the treatment. Writing as both a psychoanalyst and a widow, Linda B. Sherby makes it possible for the reader to gain an inside view of the emotional experience of being an analyst, making this book of interest to a wide audience. Professionals from psychoanalysts and psychotherapists and bereavement specialists through students in all the mental health fields to the public in general, will resonate and learn from this heartfelt and straightforward book.

Reflections on the Struggles and Joys of Life Our lives are full of ups and downs, and experiences that break us and fulfill us. Author, minister, radio talk show host, and counselor Hugh Prather explores the many facets of life and ponders the values of love, courage, and more. Full of personal revelations. True to style, this book by Hugh Prather is packed with honest personal reflections and inspirational thoughts that provide insights into life. Prather records both his observations and sometimes startling personal revelations on his longings and commitments, his mistakes and anguish. By revealing his deepest thoughts from his diary, Prather welcomes us into a shared human experience and invites us to explore his perspective on life. Simple yet profound, personal yet universal. Prather's works comprise more than meaningful quotes—they ask us to question and explore our own thoughts on love and life. Their meaning is magnified because they not only inspire but change us. And, Prather's unique ability to speak both personally and universally makes his wisdom accessible to all. Anyone seeking spiritual or emotional growth will find it in Prather's *Love and Courage*. Learn more about: The values of truth and justice, friendship and generosity, love and courage and how they work in our lives Life experiences that have formed bestselling author Hugh Prather's view of the world and our place in it The beauty of life, even in the midst of struggles If you enjoyed books like *The Book of Awakening*, *Welcoming the Unwelcome*, or *Soul Keeping*, then you'll want to read *Love and Courage*.
