A woman on the run collides with lethal danger in this GhostWalker novel by #1 New York Times bestselling author Christine Feehan. GhostWalker Kane Cannon is pure male--animalistic, sexual, protective, instinctive--and his past missions have prepared him for anything. But his newest assignment, to rescue hostages in Mexico, plunges him into a hot zone he never anticipated: the hiding place of Rose Patterson--a fugitive, an ex-lover, a fellow GhostWalker pregnant with his child. Rose is in flight from the insidious experiments that still haunt her dreams, and from the madman who'd do anything to take her child. Of all the GhostWalkers enlisted to hunt her down, Kane is the only one she can trust. But as their passion reignites, the stakes are raised. Because Kane is now a wanted man as well. And together they're about to face the most desperate challenge of all: staying together and staying alive.

In a world so dark and seductive, expect nothing less than a triple-cross in this explosive Ghostwalker novel by #1 New York Times bestselling author Christine Feehan... In an underground club, a high-ranking public official spends his secret nights indulging in fantasies as exciting as they are depraved. For a seductive employee of the Dungeon, it's her job to fulfill them. But she's playing a far more dangerous game--one of blackmail, politics, and murder that reaches into the shadow world of the Ghostwalkers, and the creation of a spectacular, one-of-a-kind new weapon of defense. But when a dictator makes his own catastrophic moves, the Ghostwalkers have no choice but to bring in two major players--a man and woman both driven by passion and revenge. Both expendable. Both with nothing left to lose.

#1 New York Times bestselling author Christine Feehan goes beyond the boundaries of paranormal romance as two lovers take to the streets to play the most dangerous game of all. For Mack McKinley and his team of GhostWalker killing machines, urban warfare is an art. But despite a hard-won knowledge of the San Francisco streets, Mack knows from experience that too many things can still go wrong. Danger is just another part of the game--and now he's come face-to-face with a woman who can play just as tough. Jaimie is a woman with a sapphire stare so potent it can destroy a man. Years ago she and Mack had a history--volatile, erotic, and electric. Then she vanished. Now she's walked back into Mack's life as a spy with too many secrets for her own good. Against all odds, she's hooking up with Mack one more time to take on an enemy that could destroy them both, or bring them back together in one hot, no-holds-barred adrenaline rush.

In this "suspenseful...captivating" (Publishers Weekly) novel in GhostWalker series, #1 New York Times bestselling author Christine Feehan tracks the desperate steps of a wanted woman--betrayed, avenging, and dangerously irresistible... Gator Fontenot of the Special Forces paranormal squad can't refuse an urgent request to save the elusive Iris "Flame" Johnson, a victim of the same horrific experiments that warped Gator. Now unleashed, she's a red-haired weapon of unimaginable destructive powers, a walking time bomb bent on revenge in the sultry bayous of New Orleans, and hunted by a shadowy assassin. It's Gator's job to reel Flame in. But can two people haunted by violent betrayals trust the passion that soon ignites between them? Or is one of them just playing another seductive and deadly night game?

In the world of #1 New York Times bestselling author Christine Feehan's GhostWalker series, there are men and women who are invisible to their enemies, yet unprotected from the passions that could be their downfall... Saber Winter is running from her past when she meets Jess Calhoun, an ex-Navy SEAL, physically and emotionally compromised by his own mysterious and violent history as a Ghostwalker. What Jess senses in Saber is a kindred spirit, a lost soul desperate for sanctuary. He offers her a home, a job, and a haven where she can safely reveal the secrets that shadow her. But danger follows her, too. Now, the riddles of both their pasts are about to collide, shattering the promise of their future with the ultimate betrayal.

#1 New York Times bestselling author Christine Feehan explores the limits of endurance and the boundaries of passion in a life-and-death struggle to survive in this GhostWalker novel... It begins as a mission to protect a politician from an assassination threat. But the operation takes an unexpected turn when Mari, a mysteriously beautiful GhostWalker, is taken hostage. At the same time, Ken Norton, expert assassin and himself a GhostWalker warrior, is on a mission of his own--one that reaches into Mari's own past. No stranger to the ways of violent warfare, Mari must join forces with Ken and trust his every move--each one more intimate than the last.

#1 New York Times bestselling author Christine Feehan plunges readers into the darkest recesses of the mind as a man and a woman discover the terrifying power--and the forbidden passion--that could destroy them both in the first novel in the GhostWalker series. The brainchild of renowned scientist Peter Whitney and his brilliant daughter, Lily, the GhostWalker experiment was created to enhance the psychic abilities of an elite squadron, transforming their natural telekinetic powers into a unique military weapon. But something has gone wrong... In the isolated underground, the men have been dying, victims of bizarre accidents. Captain Ryland Miller knows he is next. When Dr. Whitney himself is murdered, Ryland has only one person left to trust: the beautiful Lily. Possessed of an uncanny sixth sense herself, Lily shares Ryland's every new fear, every betrayal, every growing suspicion, and every passionate beat of the heart. Together, they will be drawn deeper into the labyrinth of her father's past...and closer to a secret that someone would kill to keep hidden.

In this explosive GhostWalker novel by #1 New York Times bestselling author Christine Feehan, a trained killer meets his match in a woman whose very kiss can stop a heart. The Cajun dive in the middle of the godforsaken swamps wasn't exactly Trap Dawkins' idea of fun. But the GhostWalker wasn't there for a good time. He was looking for her. Cayenne. It's where she found her victims. Poor suckers. Then again, who wouldn't want to leave a place like this with a woman like her? It's not Cayenne's fault. Locked up, experimented on and never knowing kindness, she was bred this way--with a heart of pure venom. Trap understands her. He survived his own dark past and he shares her desire for getting even. But now Trap's greatest danger is Cayenne herself. Because what's inside her is hard to control--especially when it's aroused by a lover as reckless as Trap.

Surrender to the seductive world of the GhostWalkers in this collection that includes four novels from #1 New York Times bestselling author Christine Feehan. PREDATORY GAME Ghostwalker Jess Calhoun senses in Saber Winter a kindred spirit, a lost soul desperate for sanctuary. He offers her a home, a job, and a haven where she can safely reveal the secrets that shadow her. But danger follows her, too. Now, the riddles of both their pasts are about to collide, shattering the promise of their future with the ultimate betrayal. MURDER GAME Games should be fun, but for two expert teams across the country, they're murder. The participants in this violent challenge are rumored to be GhostWalkers--and Kaden Montague is determined to clear their name with the help of psychic Tansy Meadows. But as soon as he sees her, he knows his mission will be more complicated than he imagined--and the "murder game" may not be at all what it seems. STREET GAME For Mack McKinley and his team of GhostWalker killing machines, urban warfare is an art. But despite a hard-won knowledge of the San Francisco streets, Mack knows from experience that too many things can still go wrong. Danger was just another part of the game--and now he's come face-to-face with a woman who can play just as tough. RUTHLESS GAME Ghostwalker Kane Cannon is pure male--animalistic, sexual, protective, instinctive--and his past missions have prepared him for anything.
