This book was fantastic! I've read one other book by Sam B Morgan and I think he's one of my favorite romance novelists. The men in Slow Burn are hot and sexy; one is an out physical therapist and the other is a deeply closeted homicide detective. Together they are amazing.

ranks hard and fast, and now works homicide for the City of Charleston. The job is his entire life. For years it's kept him happy enough to minimize the side of him that craves what he believes is wrong. An accident on the job puts him on medical leave and everything in Brody's world changes. He has to prove himself once more to be best cop in the department, all while dealing with Zack--his persistent, sexy, and out-of-the-closet physical therapist. is thrown his way by another PT who can't handle him, Zack is committed to achieving the impossible. His new patient is a headstrong and hot-as-hell homicide detective, who oozes as much resentment as he does sex appeal. Any involvement with a patient, especially a man who is so deep in the closet he can't see light, is something Zack swore he'd never do. But Brody slowly proves too much to resist...
