"Amway cofounder Rich DeVos inspires and motivates business leaders with simple but life-changing practical lessons rooted in his real-life experiences."--Provided by the publisher.

The key to a harmonious, highly effective work environment is not by ensuring you work among carbon-copies of yourself whose personalities never clash with one another or with you. That pipe dream could not ever happen, nor would it result in a successful team collaboration even if it could. Instead, most of us are going to work today with individuals who at times come across as incompetent, lazy, spotlight-hugging, whiny, or backstabbing. And then tomorrow we go to work with them again . . . and again . . . and again. Like it or not, the bulk of our waking hours are spent with people at work--people who can grate on our nerves. Therefore, learning to interact effectively with difficult employees, colleagues, and bosses is an absolute essential for our success. With *Powerful Phrases for Dealing with Difficult People*, anyone can learn how to confront head-on the difficult situations that can arise when dealing with these personalities, before they fester and spread. Helpful features inside this practical and easy-to-use book include:

- Thirty common personality traits, behaviors, and workplace scenarios along with the phrases that work best with each
- Nonverbal communication skills to back up your words
- Sample dialogues that demonstrate how phrasing improves interactions
- A five-step process for moving from conflict to resolution
- “Why This Works” sections that provide detailed explanations

Button-pushing situations are going to come up today at work--and tomorrow too. Don't let them rent space inside of you and turning everything to mold. Instead, choose to deploy simple phrases to regain control and resolve conflicts. When you do, you, your colleagues, and your company will be all the better for it!

The *Leader Phrase Book* contains more than 3,000 dynamic phrases that will enable you to prevail in virtually all of life's important situations. You will be in command of your words and always stay ahead of the game. With this passport to success, you will begin a new journey on which you are among the charismatic, the untouchable...the elite. This easy-to-use reference book will give you a new image you can take pride in helping you to quickly reach your full leadership potential. You will have all the weapons to effectively succeed whenever vibrant, forceful language is required. It works like magic! The *Leader Phrase Book* will teach you how to: Speak like a leader Master all conversations Attain a charismatic presence Gain the respect of others Achieve a lightning-fast rhetoric Find the right phrases instantly Argue effectively Be the envy of all you meet The *Leader Phrase Book* is the culmination of ten years of Patrick's personal research on how leaders communicate. It is the summation of his efforts to share one of the most invaluable skills in life: "how to put yourself in command."

Draws on real-life stories and figures, including Martin Luther King, Jr. and Steve Jobs, to examine the qualities a good leader requires in order to inspire and motivate people.

A comprehensive yet accessible handbook for writing and conducting meaningful, effective performance reviews, geared toward managers of all levels, from the author of *How to Write It*. Performance reviews are one of the best tools managers have to shape company talent and culture, develop strong channels of communication with employees, and create systemic change. However, the stress and struggle to find just the right words is often what managers and HR professionals dislike most about conducting employee evaluations. In this pithy, user-friendly handbook, author and writing teacher Sandra E. Lamb lays out the best methods and proven tactics to administer productive evaluations that benefit both parties—and the company. Lamb teaches managers how to design scoring systems for employees that track progress with hard data, how to best prepare for and conduct both in-person and written reviews, and the key words to use. Covering hard and soft skills, *3000 Power Words and Phrases for Effective Performance Reviews* includes lists of powerful phrases and words that clearly describe performance—both positive and negative—including sections targeted to specific industries and jobs. This guide empowers managers at all levels to master the art of performance reviews that achieve results.

"The simple act of offering a kind word or two can have power to change lives in positive and profound ways. In *TEN POWERFUL PHRASES FOR POSITIVE PEOPLE*, DeVos focuses each chapter on one key phrase, such as "'I'm Proud of You,'" or "'I Believe in You,'" that he has found to help individuals overcome differences, build relationships, instill confidence, change attitudes, and generally make us feel positive about ourselves and about helping others. Each phrase is illustrated through anecdotes from DeVos's experiences and about people whose lives have been touched either by saying or hearing one of the small but powerful phrases. Anyone with the ability to offer a kind word to a friend, family member, or coworker will benefit from this book's positive, practical wisdom.

Have you ever needed to express yourself but did not because you could not find the right words? Have you ever walked away from a situation and thought of the perfect thing to say AFTER it was too late? Have you ever given a long explanation and wondered-is there a faster, more effective way to communicate? *PowerPhrases!* is the answer to those problems and questions. *PowerPhrases!* provides a toolbox of the perfect expressions to get your point across clearly and confidently. This book provides powerful words when you need them most. You will learn the exact words to assure common understanding, clear up conflict, establish a connection, get what you want and refuse what you don't want. Knowing what to say results in increased confidence, enhanced self-esteem, refinement and professionalism and the ability to slide out of sticky situations with grace and ease. *PowerPhrases(tm)!* tells you exactly what to say.

A compendium of straightforward techniques on how to accentuate the positive and redirect the negative, increasing productivity at work and at home. What do your people at work and your spouse and kids at home have in common with a five-ton killer whale? Probably a whole lot more than you think, according to top business consultant and mega-bestselling author Ken Blanchard and his coauthors from SeaWorld. In this moving and inspirational new book, Blanchard explains that both whales and people perform better when you accentuate the positive. He shows how using the techniques of animal trainers -- specifically those responsible for the killer whales of SeaWorld -- can supercharge your effectiveness at work and at home. When gruff business manager and family man Wes Kingsley visited SeaWorld, he marveled at the ability of the trainers to get these huge killer whales, among the most feared predators in the ocean, to perform amazing acrobatic leaps and dives. Later, talking to the chief trainer, he learned their techniques of building trust,

accentuating the positive, and redirecting negative behavior -- all of which make these extraordinary performances possible. Kingsley took a hard look at his own often accusatory management style and recognized how some of his shortcomings as a manager, spouse, and father actually diminish trust and damage relationships. He began to see the difference between "GOTcha" (catching people doing things wrong) and "Whale Done!" (catching people doing things right). In *Whale Done!*, Ken Blanchard shows how to make accentuating the positive and redirecting the negative the best tools to increase productivity, instead of creating situations that demoralize people. These techniques are remarkably easy to master and can be applied equally well at home, allowing readers to become better parents and more committed spouses in their happier and more successful personal lives.
