L.A.P.D. detective Harry Bosch's personal and financial life is crumbling as he continues his three-decade search for his mother's murderer, but things really heat up when evidence begins to surface and his own life is threatened by someone very powerful, cunning, and deadly. Reprint. NYT. LJ.

Harry attacked his commanding officer and is suspended indefinitely, pending a psychiatric evaluation. At first he resists the LAPD shrink, but finally recognizes that something is troubling him and has for a long time. In 1961, when Harry was twelve, his mother, a prostitute, was brutally murdered, and no one has ever been accused of the crime. With the spare time a suspension brings, Harry opens up the thirty-year-old file on the case and is irresistibly drawn into a past he has always avoided. It's clear that the case was fumbled and the smell of a cover-up is unmistakable. Someone powerful was able to divert justice and Harry vows to uncover the truth. As he relentlessly follows the broken pieces of the case, the stirred interest causes new murders and pushes Harry to the edge of his job... and his life.

Suspended from his job with the LAPD, Harry Bosch must face the darkest parts of his past to track down his mother's killer. . . even if it costs him his life. Harry Bosch's life is on the edge. His earthquake-damaged home has been condemned. His girlfriend has left him. He's drinking too much. And after attacking his commanding officer, he's even had to turn in his L.A.P.D. detective's badge. Now, suspended indefinitely pending a psychiatric evaluation, he's spending his time investigating an unsolved crime from 1961: the brutal slaying of a prostitute who happened to be his own mother. Even after three decades, Harry's questions generate heat among L.A.'s top politicians. And as the truth begins to emerge, it becomes more and more apparent that someone wants to keep it buried. Someone very powerful...very cunning...and very deadly. Edgar Award-winning author Michael Connelly has created a dark, fast-paced suspense thriller that cuts to the core of Harry Bosch's character. Once you start it, there's no turning back.

After being put on involuntary stress leave for attacking his boss, LAPD detective Harry Bosch is drawn to investigate a 30 year old crime - his mother's murder case.

For the first time in one volume, the three novels that introduced Michael Connelly's great LAPD homicide detective, maverick Hieronymous (Harry) Bosch. The Black Echo (Winner of the Edgar Award for Best First Novel) For Harry Bosch-hero, loner, nighthawk-the body stuffed in a drainpipe off Mulholland Drive isn't just another statistic. This one is personal. Billy Meadows was a fellow Vietnam "tunnel rat," fighting the VC and the fear they used to call the Black Echo. Harry let Meadows down once. He won't do it again. The Black Ice The corpse in the hotel room seems to be that of a missing LAPD narcotics officer. Rumors abound that the cop had crossed over-selling a new drug called Black Ice. Now Harry's making some dangerous connections, leading from the cop to a string of bloody murders, and from Hollywood Boulevard's drug bazaar to Mexico's dusty back alleys. In this lethal game, Harry is likely to be the next victim. The Concrete Blonde When Harry Bosch shot and killed Norman Church, the police were convinced it marked the end of the hunt for the Dollmaker-L.A.'s most bizarre serial killer. But now Church's widow is accusing Harry of killing the wrong man-a charge that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. For the second time, Harry must hunt the murderer down, before he strikes again. Together, these three novels are the perfect way to discover, or rediscover, the sleuth the New York Times Book Review called a "wonderful, old-fashioned hero who isn't afraid to walk through the flames."

Detective Harry Bosch was sure he'd shot the serial killer responsible for a string of murders in LA. . . but now, a new crime makes him question his convictions. The Dollmaker was the name of the serial killer who had stalked Los Angeles ruthlessly, leaving grisly calling cards on the faces of his female victims. Now with a single faultless shot, Detective Harry Bosch thinks he has ended the city's nightmare. But the dead man's widow is suing Harry and the LAPD for killing the wrong man-- an accusation that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. So for the second time, Harry must hunt down a death-dealer who is very much alive, before he strikes again. It's a blood-tracked quest that will take Harry from the hard edges of the L.A. right to the last place he ever wanted to go-- the darkness of his own heart. With The Concrete Blonde, Edgar Award-winning author Michael Connelly has hit a whole new level in his career, creating a breathtaking thriller that thrusts you into a blistering courtroom battle-- and a desperate search for a sadistic killer.

A two-in-one, this volume includes The Last Coyote in which suspended LAPD homicide detective Harry Bosch investigates the unsolved murder of his mother, and Trunk Music which finds Harry returning to the force to investigate the murder of a movie producer with Mafia ties.

A lawyer is found murdered on the eve of a landmark trial at the foot of Angels Flight in the heart of downtown Los Angeles.

An LAPD homicide detective must choose between justice and vengeance as he teams up with the FBI in this "thrilling" novel filled with mystery and adventure (New York Times Book Review). For maverick LAPD homicide detective Harry Bosch, the body in the drainpipe at Mulholland Dam is more than another anonymous statistic. This one is personal. . . because the murdered man was a fellow Vietnam "tunnel rat" who had fought side by side with him in a hellish underground war. Now Bosch is about to relive the horror of Nam. From a dangerous maze of blind alleys to a daring criminal heist beneath the city, his survival instincts will once again be tested to their limit. Pitted against enemies inside his own department and forced to make the agonizing choice between justice and vengeance, Bosch goes on the hunt for a killer whose true face will shock him.

The Last Coyote: LAPD homicide detective Harry Bosch is suspended from the force for attacking his commanding officer. Unable to remain idle, he investigates the long-unsolved murder of a Hollywood prostitute. Trunk Music: Harry returns to the force to investigate the murder of a movie producer with Mafia ties. Up against both the LAPD's organized crime unit and the mob, Harry follows the money trail to Las Vegas, where the case becomes personal. Angels Flight: The murder of a prominent African-American attorney who made his career suing the police for racism and brutality means that Harry's friends and associates have become suspects; and he must work closely with longtime enemies suspicious of his maverick ways to investigate them. Together for the first time, these three chilling, pulse-pounding novels chart the volatile, breakneck career of the sleuth the New York Post calls "the quintessential mystery book hero" and prove that "Michael Connelly's Harry Bosch novels are the most impressive body of work by any writer of crime thrillers now active" (Washington Post).
