The Motivation

Manifesto does more
than motivate! The
Motivation Manifesto
by Brendon Burchard,
motivates through
encouragement to
reclaim our agenda
and the prose is
largely easy to follow
-- though occasionally

and surprisingly for a self-help book -- high-brow. However Burchard's Manifesto is far more than the typical work on the subject.

Twenty years ago,
author Brendon
Burchard became
obsessed with
answering three
questions: 1. Why do
some individuals and
teams succeed more
quickly than others
and sustain that
success over the long

Get Free The Motivation

term? 2. Of those who pull it off, why are some miserable and others consistently happy on their journey? 3. What motivates people to reach for higher levels of success in the first place, and what practices help them improve the most? After extensive original research and

a decade as the
world's leading high
performance coach,
Burchard found the
answers. It turns out
that just six deliberate
habits give you the
edge. Anyone can
practice these habits
and, when they do,
extraordinary things
happen in their lives,
relationships, and
careers. Which habits
