The Pilgrim’s Regress is one of those books that are both puzzling and gratifying at the same time. The book is partly autobiographical, in that CS Lewis used imagery and allegory to depict his own journey of faith. This obviously seems to be influenced by John Bunyan’s religious and political tract, The Pilgrim’s Progress. Just like Bunyan narrating the story in the form of a "dream" he had, so Lewis narrates this story the same way.
