Chronicles the criminal career of the gangster who provided a protection racket against drug lords, ran illegal gambling, robbed banks, and served as an informant for the FBI until going into hiding for sixteen years.

Chronicles the criminal career of the gangster who provided a protection racket against drug lords, ran illegal gambling, robbed banks, and served as an informant for the FBI until going into hiding for sixteen years.

From the bestselling authors of Black Mass comes the definitive biography of Whitey Bulger, the most brutal and sadistic crime boss since Al Capone. Drawing on a trove of sealed files and previously classified material, Whitey digs deep into the mind of James J. "Whitey" Bulger, the crime boss and killer who brought the FBI to its knees. He is an American original --a psychopath who fostered a following with a frightening mix of terror, deadly intimidation and the deft touch of a politician who often helped a family in need meet their monthly rent. But the history shows that despite the early false myths portraying him as a Robin Hood figure, Whitey was a supreme narcissist, and everything--every interaction with family and his politician brother Bill Bulger, with underworld cohorts, with law enforcement, with his South Boston neighbors, and with his victims--was always about him. In an Irish-American neighborhood where loyalty has always been rule one, the Bulger brand was loyalty to oneself. Whitey deconstructs Bulger's insatiable hunger for power and control. Building on their years of reporting and uncovering new Bulger family records, letters and prison files, Dick Lehr and Gerard O'Neill examine and reveal the factors and forces that created the monster. It's a deeply rendered portrait of evil that spans nearly a century, taking Whitey from the streets of his boyhood Southie in the 1940s to his cell in Alcatraz in the 1950s to his cunning, corrupt pact with the FBI in the 1970s and, finally, to Santa Monica, California where for fifteen years he was hiding in plain sight as one of the FBI's Ten Most Wanted. In a lifetime of crime and murder that ended with his arrest in June 2011, Whitey Bulger became one of the most powerful and deadly crime bosses of the twentieth century. This is his story.

Before Whitey Bulger's bloody reign, before the Boston FBI was torn apart by indictments and revelations of corruption--there was Joe "The Animal" Barboza

Based on exclusive, fresh reporting, the thrilling, definitive inside story of the pursuit, capture, and killing of legendary South Boston mob boss, James "Whitey" Bulger, detailing as never before his years on the run, how he evaded capture, and his brutal murder in prison. For the first time, Boston reporters Casey Sherman and Dave Wedge draw on exclusive interviews and exhaustive investigative reportage to tell the complete story of Whitey Bulger, one of the most notorious crime bosses in American history—alongside Al "Scarface" Capone and Vito Genovese—and a longtime FBI informant. The leader of Boston's Winter Hill Gang and #1 on the FBI's Most Wanted list, Bulger was indicted for nineteen counts of murder, racketeering, narcotics distribution, and extortion. But it was his sixteen-year flight from justice on the eve of his arrest that made him a legend and exposed deep corruption within the FBI. While other accounts have examined Bulger's crimes, this remarkable chronicle tells the story of his life on the run, his capture, and his eventual murder inside one of America's most dangerous prisons—"Misery Mountain"—in 2018. Interweaving the perspectives of Bulger, his family and cohorts, and law enforcement, *Hunting Whitey* explains how this dangerous criminal evaded capture for nearly two decades and shines a spotlight on the dedicated detectives, federal agents, and prosecutors involved in bringing him to justice. It is also a fascinating, detailed portrait of both Bulger's trial and his time in prison—including shocking new details about his death at Misery Mountain less than twenty-four hours after his arrival. Granted access to exclusive prison letters and interviews with dozens of people connected to the case on both sides, Sherman and Wedge offer a trove of fascinating new stories and create an incomparable portrait of one of the most infamous criminals in American history. *Hunting Whitey* includes an 8-page photo insert.

Explores the life of Johnny Martorano and the role he played in the world of Boston's organized crime, discussing not only the exploits of Martorano, his partner Whitey Bulger, and the Winter Hill Gang, but also the corrupt politicians and G-Men involved.

After sixteen years on the lam, infamous Boston gangster Whitey Bulger was finally captured and brought to trial-and what a trial it was: evidence of nineteen gruesome murders, government secrets, FBI corruption, a dead witness, and an unbelievable tale of love. Whitey's machine guns and gangland-style extortions gripped the city of Boston for decades. Investigative journalist Jon Leiberman travelled the world with the FBI's Whitey Bulger task force. Former Boston area prosecutor and legal analyst Margaret McLean witnessed every day of testimony, heard every word uttered in court. Both authors have developed close relationships with the investigators, the lawyers, and Whitey's friends, his fellow mobsters, his victims and their families. In *Whitey on Trial*, the truth is revealed through trial testimony, interviews with cops, FBI agents, prosecutors and defense attorneys, and members of the jury that ultimately found Bulger guilty on thirty-one counts, including eleven murders. An exclusive letter from Whitey to McLean offers insight into his state of mind immediately following the verdict. *Whitey on Trial* is the definitive firsthand account of the Whitey Bulger trial. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A powerful Massachusetts politician describes his childhood in Irish South Boston, his struggle to get an education, his colorful political career, and the inside game of politics. 35,000 first printing. Tour.

Now a major motion picture starring Johnny Depp A New York Times Bestseller A Boston Globe Bestseller An ABA Indie Bestseller James "Whitey" Bulger became one of the most ruthless gangsters in US history, and all because of an unholy deal he made with a childhood friend. John Connolly a rising star in the Boston FBI office, offered Bulger protection in return for helping the Feds eliminate Boston's Italian mafia. But no one offered Boston protection from Whitey Bulger, who, in a blizzard of gangland killings, took over the city's drug trade. Whitey's deal with Connolly's FBI spiraled out of control to become the biggest informant scandal in FBI history. *Black Mass* is a New York Times and Boston Globe bestseller, written by two former reporters who were on the case from the beginning. It is an epic story of violence, double-cross, and corruption at the center of which are the black hearts of two old friends whose lives unfolded in the darkness of permanent midnight.

Offers a detailed chronicle of the trial of the notorious Boston organized crime figure who was charged with 19 murders after evading capture for sixteen years.
