The mile-high club is slang for the people who have had sexual intercourse on board an aircraft in flight.. An alleged explanation for wanting to perform the act is the supposed vibration of the plane. Some say they have fantasies about pilots or flight attendants, or a fetish about planes themselves. For others, the appeal of joining the mile-high club is the thrill of doing something taboo ...

We found Mile High Club to be fun, exposed, and sustained at the 5.9-5.10a grade. The rock is a metamorphosed sandstone which is generally solid, has good friction, and is littered with positive holds. The route is well-bolted and never felt dangerously runnout, although it is ledgy enough that you don't want to fall.
